

An aerial, sepia-toned illustration of a large industrial complex, likely a cotton mill, situated in a valley. The complex features several large, interconnected buildings with gabled roofs and numerous windows. To the left, there are rows of smaller, rectangular structures, possibly storage or processing units. The surrounding landscape includes rolling hills, a river or stream, and a small town or village in the distance. The word 'Olcese' is written in a large, elegant, cursive script across the upper middle of the image.

Olcese
